## **ABOUT ECME**

NUST Centre for Continuing Education and ZAMFI launched the Executive Certificate in Microfinance and Entrepreneurship (ECME) course in 2018 and since then more than 200 students have graduated with certificates from the program.

The ECME course program was designed to develop the next generation of microfinance practitioners in the industry, equipped with cutting edge skills and knowledge related to international microfinance best practices and conduct.

### **Online and Distance Education for ECME Program for 2024**

The ECME program for 2024 shall be undertaken under a blended learning strategy which was already approved for all universities by government in 2020.
